### COVID-19 FAMILY CHILDCARE ASSISTANCE PROGRAM

#### Section 1 – General Program Guidelines

The COVID-19 Family Childcare Assistance Program is established for the purpose of providing families with financial support in the amount of \$600.00 per child to offset the cost for childcare of children between the ages of 0 and 10 years of age. The Program is part of the City’s economic development charge to advance and resume ordinary business conduct. To be in compliance with the CARES Act guidance, the families must have suffered an economic difficulty due to the COVID-19 public health emergency. An ‘economic difficulty’ means any financial inconvenience (unforeseen financial costs, decrease in pay, increased costs for household bills, or other economic hardship) as a result of the COVID-19 public health emergency. The following are the household eligibility requirements for the program:
