PUBLIC SERVICE ANNOUNCEMENT

The City of Saint Paul has received funding from the US Department of Transportation to prepare a Comprehensive Safety Action Plan for our community. The purpose of this plan is to identify transportation safety issues within the community.

The City is looking for four community members to be part of a Transportation Safety Action Taskforce. The Taskforce will work with the selected consultant to identify transportation safety concerns in our community and to develop solutions to address those concerns.

The anticipated time commitment for serving on the Taskforce is one meeting per month for approximately eight months, from November 2023 through July 2024.

If you are interested in participating in this Taskforce, please submit your name and contact information to Aubrey Wegeleben, City Clerk by Friday, September 29, 2023.
