Subject: **City of Saint Paul Bulk Fuel Storage Facility Oil Discharge Prevention and Contingency Plan, DEC Plan #: 25-CP-2018; Public Comment Period for Additional Information**

Dear Mr. Zavadil:

The Alaska Department of Environmental Conservation (DEC) received a response to its request for additional information (RAI) regarding the City of Saint Paul Bulk Fuel Storage Facility Oil Discharge Prevention and Contingency Plan (plan) on October 15, 2025. In accordance with 18 AAC 75.455(d), there is a 10-day public comment period for the additional information received. This comment period is limited to the additional information submitted in response to DEC's RAI.

The review schedule is designated as follows:

Start of comment period: October 30, 2025

End of comment period; public comments and RAIs
due by 5:00 pm: November 12, 2025

DEC will make a determination as to whether the application package is complete and notify City of Saint Paul within seven working days of the end of comment period. However, if DEC determines that additional information is still needed, DEC will send another RAI.

If you have any questions, please contact me at 907-269-7558 or Darek.Amato@alaska.gov.

Sincerely,

Darek Amato
