

# Saint Paul Harbor Critical Improvements

## Open House Meetings

Friday, October 2 from 4:00 to 7:00 pm  
and

Saturday, October 3 from 4:00 to 7:00 pm

**Friday:** Provide input on desired improvements for the harbor and waterfront

**Saturday:** Review the draft harbor and waterfront master plans

### At the Rec Hall

The Saint Paul Harbor Critical Improvements Project will modernize and stabilize the island's maritime infrastructure to safely handle increasing vessel activity and withstand severe storm and tidal impacts.
